#### **OBJECT TO THE** 18-FOOT RING

Say It Will Hamper Carpentier's Foot Work if Less Than 24 Feet.

PARIS, June 19 .- Much concern has been caused among French boxing enthusiasts, partisans of Carpentler, by the report that his match with Dempsey will be staged in 18-foot ring. As the French never fought in such a his is considered here reatly his chances for holding tempsey at bay by amart

Many of the most prominent men in the sporting world of Paris are sending telegrams to Manager Descamps asking him to insist upon the use of a 24-foot ring.

Tex Rickard said this afternoon: "The ring at Jersey City will be about twenty feet. I cannot say just what it will be. The New Jersey regulations call for a ring not less than eighteen feet nor more than twenty-two feet."

Asked what the rings were for the big fights of the last decade that he handled, he said:

"They were all eighteen feet inside the ropes."

TENT COVERING THE RING

Tex Rickard announced this afternoon that the Dempsey-Carpentier championship battle would be postponed only in case it rained hard Saturday morning and the storm lasted until early afternoon. In such event the bout will be held at 3 o'clock Monday afternoon, July 4.

If it should rain on Saturday when most of the great crowd is in gathered in the Jersey City Stadium the fight will go on. A special umbrella-like apparatus will be raised over the ring proper to keep Dempsey and Carpentier dry without obstructing the view of the
